

Banking and Fintech: the Future is Now

FDITECH to Convene a Panel of Experts on the Future of Innovation in Banking

On Wednesday, December 8, at 1 p.m. ET, the Federal Deposit Insurance Corporation's tech lab, FDITECH, will convene a panel of experts to discuss the future of financial innovation and the potential impacts to financial markets and technology. The panel will also explore how innovation preserves and promotes a diverse, equitable and inclusive banking system.

Hosted by FDIC's Chief Innovation Officer Sultan Meghji, "*Banking and Fintech: the Future is Now*" will allow industry leaders and other experts to examine ways to amplify emerging innovations with a focus on markets, financial technology (Fintech), and Diversity, Equity and Inclusion (DEI).

Panels:

Innovation in the Financial Markets:

- Diane Ellis, Director, FDIC Division of Insurance and Research
- Robert Morgan, Senior Vice President for Innovation & Strategy, American Bankers Association
- Kate Goldman, FinTech Program Lead Center for Financial Markets, Milken Institute
- Julien Le Goc, Vice President, Enterprise Risk Management, Circle
- Sultan Meghji, FDIC Chief Innovation Officer
- Moderator: Jeffrey DeLuca, FDITECH (Senior Financial Analyst)

Innovation in Technology:

- Doreen Eberley, Director, FDIC Division of Risk Management Supervision
- Sylvia Burns, FDIC Chief Information Officer and Chief Privacy Officer
- Vivian Yeung, Executive Vice President, Chief Digital & Technology Officer, Fremont Bank
- Jimmie Lenz, Director Master of Engineering in Fintech and Master of Engineering in Cybersecurity, Duke University
- Arnab Banerjee, Assistant Professor Quantum Science and Engineering, Purdue University
- Sultan Meghji, FDIC Chief Innovation Officer
- Moderator: Zunera Mazhar, FDIC Deputy Chief Innovation Officer

Innovation in Diversity, Equity, and Inclusion:

- Nikita Pearson, Director, FDIC Office of Minority and Women Inclusion
- Thomas Foley, Executive Director of the National Disability Institute

- Faith Bautista, President and Chief Executive Officer of the National Asian American Coalition
- Catherine Berman, Co-founder and Chief Executive Officer, Cnote
- Sultan Meghji, FDIC Chief Innovation Officer
- Moderator: Isaac E. Hernandez, FDITECH (Deputy Director of Infrastructure)

WHEN: Wednesday, December 8, 2021
1:00 p.m. – 4:30 p.m. ET

HOW: This virtual meeting is open to the public [via live webcast](#).
