Dear Ms. Jones,

I am writing regarding the FDIC's request for comment on its proposal to raise and index asset thresholds. I am the Market President of First State Banks Sw, a \$400m community bank located in Pipestone Minnesota.

We have been servicing our local area for over 100 years. I support this proposal and encourage the FDIC to issue a final rule quickly so that community banks can receive relief from the regulatory burden posed by Part 363's outdated thresholds

I urge you strongly to support this proposal as it is vital to the banking industry.

Ryan Tibbs
Market President
