Subject: Legacy Loans Program

I represent a small group of investors (\$10,000,000 to \$20,000,000) who has an interest in the Legacy Loans Program and acquisition of a portion of the [REDACTED] (now FDIC) 1.4 billion "toxic loan" portfolio. I understand that a 40% interest in that particular portfolio was recently sold by [REDACTED] to two different investors, one being the [REDACTED] out of [REDACTED]. Who would you recommend that I contact with respect to purchasing a portion of the portfolio?

Thank you for your assistance.
