Subject: Legacy Loans Program

To whom it may concern:

Please go read <http://market-ticker.org/archives/894-Open-Letter-To-The-FDIC-Ombudsman.html> very carefully. It'll be very easy for smart crooks to "game" the system and leave us taxpayers as bagholders. The burden of proof is upon the managers of this program to demonstrate that you are doing your job effectively UP FRONT. You will be held accountable. There can be no room for error on this.

Sincerely yours,

Alex Degaston
