DEPOSITORY INSTITUTION REPORTS

TO: CHIEF EXECUTIVE OFFICER

SUBJECT: Consolidated Reports of Condition and Income for Third Quarter 2017

The attached materials pertain to the Consolidated Reports of Condition and Income (Call Report) for the September 30, 2017, report date. Please plan to complete the preparation, editing, and review of your institution's Call Report data and the submission of these data to the agencies' Central Data Repository (CDR) as early as possible. Starting your preparation early will help you identify and resolve any edit exceptions before the submission deadline. If you later find that certain information needs to be revised, please make the appropriate changes to your Call Report data and promptly submit the revised data file to the CDR.

Except for certain institutions with foreign offices, your completed Call Report must be received by Monday, October 30, 2017, in accordance with the filing requirements discussed below. *The agencies recognize that institutions significantly affected by recent hurricanes may experience difficulty or delay in filing their third quarter 2017 Call Reports. As discussed in the agencies' Statements on Supervisory Practices Regarding Financial Institutions and Borrowers Affected by [Hurricane Harvey](#) and [Hurricane Irma](#), which also apply to Hurricane Maria, affected institutions should contact their primary federal regulatory agency to discuss their situation. Such institutions also may wish to review the [Accounting and Regulatory Reporting Questions and Answers](#) issued following Hurricanes Katrina and Rita in 2005, which remain applicable.*

The agencies, as members of the Federal Financial Institutions Examination Council (FFIEC), implemented a new streamlined FFIEC 051 Call Report for eligible small institutions as of the March 31, 2017, report date. "Eligible small institutions" are institutions with domestic offices only and total assets less than \$1 billion, excluding those that are advanced approaches institutions for regulatory capital purposes and those required to file the FFIEC 041 Call Report based on supervisory needs. For 2017, the \$1 billion asset-size test is based on the total assets reported in an institution's Call Report for June 30, 2016. An eligible institution that has not filed the FFIEC 051 Call Report as of a previous quarter-end report date in 2017 may begin reporting on the FFIEC 051 as of either the September 30, 2017, or the December 31, 2017, report date. The institution also may wait until March 31, 2018, to begin reporting on the FFIEC 051, assuming the total assets reported in its June 30, 2017, Call Report were less than \$1 billion. An eligible small institution is not required to file the FFIEC 051, but has the option to continue filing the FFIEC 041 Call Report.

The FFIEC 051, FFIEC 041, and FFIEC 031 Call Report forms and an instruction book update for September 2017 are available on the FFIEC's website (https://www.ffiec.gov/ffiec_report_forms.htm) and the Federal Deposit Insurance Corporation's (FDIC) website (<https://www.fdic.gov/callreports>). The Call Report does not include any new or revised data items this quarter. Institutions should refer

to the attached Supplemental Instructions for September 2017 for additional guidance on certain reporting issues. Report forms and instructional materials can be printed and downloaded from the FFIEC's and the FDIC's websites. Please notify the individual responsible for preparing the Call Report at your institution about the electronic availability of the report forms, the instruction book update, and the Supplemental Instructions for September 2017.

Each institution must file its September 30, 2017, Call Report data in one of two ways:

- By using computer software to prepare and edit its report data and then electronically submitting the data directly to the CDR (<https://cdr.ffiec.gov/cdr/>) or
- By completing its report in paper form and arranging with a software vendor or another party to convert its paper report into the electronic format that can be processed by the CDR. The software vendor or other party then must electronically submit the institution's Call Report data file to the CDR.

Electronic submission of third quarter 2017 Call Report data will be considered timely if the data are received by the CDR no later than Monday, October 30, 2017, and pass FFIEC-published validation criteria (validity edits and quality edits) or, where necessary, contain explanations for any quality edits that are not passed. Explanatory comments should be prepared in accordance with the "Guidelines for Resolving Edits" published on the FFIEC's website at <https://www.ffiec.gov/find/documents/resolvingedits.pdf>.

An institution with more than one foreign office, other than a "shell" branch or an International Banking Facility, is permitted an additional *five* calendar days to submit its Call Report data. Such an institution must electronically transmit its data to the CDR no later than Saturday, November 4, 2017.

The CDR Help Desk is available from 9:00 a.m. until 8:00 p.m., Eastern Time, Monday through Friday, to provide assistance with user accounts, passwords, and other CDR system-related issues. The CDR Help Desk can be reached by telephone at (888) CDR-3111, by fax at (703) 774-3946, or by email at CDR.Help@ffiec.gov. For all other Call Report issues, institutions should contact their assigned Call Report analyst. If you do not know the analyst assigned to your institution, state member institutions should contact their Federal Reserve District Bank; national institutions, FDIC-supervised banks, and savings associations should contact the FDIC's Data Collection and Analysis Section in Washington, D.C., by telephone at (800) 688-FDIC (3342).
