### Highlights:

- On October 31, 2019, the Federal Deposit Insurance Corporation and the Federal Reserve Board published a notice and request for comment in the *Federal Register* seeking information and comments from interested parties regarding the Uniform Financial Institutions Rating System (UFIRS).
- The agencies have extended the deadline to respond to this request for information until February 28, 2020.
- The agencies extended the comment period to allow interested persons more time to analyze the issues and prepare their comments, which were originally due by December 30, 2019.
