

OFFICE OF FOREIGN ASSETS CONTROL

CHANGES TO LIST OF SPECIALLY DESIGNATED NATIONALS AND BLOCKED PERSONS

SINCE JANUARY 1, 2001

This publication of Treasury's Office of Foreign Assets Control ("OFAC") is designed as a reference tool providing actual notice of actions by OFAC with respect to Specially Designated Nationals and other entities whose property is blocked, to assist the public in complying with the various sanctions programs administered by OFAC. The latest changes may appear here prior to their publication in the *Federal Register*, and it is intended that users rely on changes indicated in this document that post-date the most recent *Federal Register* publication with respect to a particular sanctions program in the appendixes to chapter V of Title 31, *Code of Federal Regulations*. Such changes reflect of fiscal actions of OFAC, and will be reflected as soon as practicable in the *Federal Register* under the heading "Foreign Assets Control." New *Federal Register* notices with regard to Specially Designated Nationals or blocked entities may be published at any time. Users are advised to check the *Federal Register* and this electronic publication routinely for additional names or other changes to the listings. Entities and individuals on the list are occasionally licensed by OFAC to transact business with U.S. persons in anticipation of removal from the list or because of foreign policy considerations in unique circumstances. Licensing in anticipation of official *Federal Register* publication of a notice of removal based on the unblocking of an entity's or individual's property is reflected in this publication by removal from the list. Current information on licenses is sued with regard to Specially Designated Nationals and other blocked persons may be obtained or verified by calling OFAC Licensing at 202/622-2480. The following changes have occurred with respect to the Office of Foreign Assets Control List of Specially Designated Nationals and Blocked Persons since January 1, 2001:

• 01/19/01

The President has issued an Executive Order effective January 19, 2001 prospectively lifting economic sanctions against the Federal Republic of Yugoslavia via (Serbia and Montenegro) and permitting new transactions involving most of the entities listed with "[FRYK]" on the alphabetized master list of Specially Designated Nationals and Blocked Persons. All property involving "[FRYK]" entities blocked prior to January 19, 2001 remains blocked except as authorized, in general license or otherwise, by the Office of Foreign Assets Control.

The new Executive Order continues and imposes sanctions on specified parties (listed with "[FRYM]" on OFAC's alphabetized master list). Transactions related to entities listed with "[FRYM]" must be in the dicted and need to be blocked on an ongoing basis. Because some "[FRYK]" entities have also been designated as "[FRYM]" entities, those parties may appear both "above the line (as '[FRYM]')" and "below the line (as '[FRYK]')" entities. The original entries with the designation "[FRYK]" have been segregated in the SDN list because property blocked in involving them prior to January 19, 2001 remains blocked under the Federal Republic of Yugoslavia via (Serbia & Montenegro) Kosovo Sanctions Regulations:
