**Highlights:**

- On April 21, 2005, the Department of the Treasury's (Treasury) Financial Crimes Enforcement Network (FinCEN) announced the designation of Multibanka, Riga, Latvia, to be a financial institution of "primary money laundering concern" under Section 311 of the USA PATRIOT Act.
- Treasury, acting through FinCEN, is issuing a proposed rule to impose special measures against Multibanka. The proposed rule would prohibit U.S. financial institutions from opening or maintaining correspondent or payable-through accounts in the U.S. for, or on behalf of, Multibanka. This proposed prohibition extends to correspondent or payable-through accounts maintained for other foreign banks when such accounts are used by the foreign bank to provide financial services to Multibanka indirectly.
- Treasury is soliciting written comments regarding this proposed rule. The proposed rule can be found on the FinCEN Web site under "What's New" at <http://www.fincen.gov>. Comments must be submitted on or before May 26, 2005, to Treasury via electronic mail at [regcomments@fincen.treas.gov](mailto:regcomments@fincen.treas.gov).
