### **Highlights:**

Among the significant activities reported in the Letter to Stakeholders for the second quarter of 2007 are the following:

- FDIC-insured commercial banks and savings institutions reported net income of \$36.0 billion in the first quarter of 2007, slightly below the \$36.9 billion earned in the first quarter of 2006.
- Estimated insured deposits increased by \$84.4 billion in the first quarter, the second largest quarterly increase in the past five years.
- The Deposit Insurance Fund (DIF) balance increased by \$580 million (1.2%), bringing the fund balance to \$50.7 billion at the end of the first quarter.
- The DIF earned assessment income of \$94 million in the first quarter of 2007. The FDIC anticipates the DIF will reach its designated reserve ratio of 1.25% in 2009.
- The federal bank, thrift and credit union regulatory agencies issued the *Statement on Subprime Mortgage Lending* to address issues relating to certain adjustable-rate mortgage products that may result in payment shock.
- The FDIC released a new publication, *FDIC Quarterly*, which provides a single source for industry data, analysis and research.
