To Whom It May Concern,

Congrats on the merger! We look forward to continuing our partnership with Suntrust & BB&T. Suntrust has played a big role in our success at Holt Brothers Inc. Holt Brothers Foundation is very active helping young kids with a parent battling CANCER. Suntrust resources and presence sets the tone for our community leaders to join. On a personal note, I've had a tremendous experience with Suntrust and my family has learned a lot. So, with that being said I SUPPORT SUNTRUST and ALL they do in our community.

Have a good week.

Thanks,

TORRY HOLT
