To Whom It May Concern:

Clearwater Marine Aquarium, Inc. (CMA) is a 501(c) 3 non-profit organization and has been a client of BB&T for approximately ten years. BB&T has consistently stepped up to help the organization finance its expansion plans and provide banking services to support day to day operations. Most recently, BB&T has provided the necessary construction financing for a project that will allow CMA to grow its mission and provide a significant positive economic impact to our community.

CMA values our long-term partnership with BB&T. Please accept this letter as support for the merger.

If you have any questions or would like additional information, please do not hesitate to contact me.

Sincerely,
Karen Jubrail
