Subject: [EXTERNAL MESSAGE] [SUSPECTED SPAM] Block Bank Merger
Date: Monday, May 06, 2019 4:39:20 PM

Hello, my name is Halima Foster and I am a concerned citizen writing from Austin, Texas in regards to the proposed merger of Sun Trust Bank and BB&T. Allowing this merger would create another mega-bank, putting our financial system at risk again, as well as costing thousands of jobs across the country. The FDIC has the power and ability to stop this merger and should absolutely do so. I am asking that the FDIC block this merger and protect the interests of the people over profits. Thank you and have a nice day.
