To Whom This May Concern:

By way of this email, we offer the following comments on the impact that SunTrust and the SunTrust Foundation have made to Child Care Resources Inc. (CCRI) through volunteerism and financial support, for which we are deeply grateful.

Since coming to Charlotte, SunTrust has been an incredible community partner to CCRI, with representation on our volunteer Board of Directors, generous financial support through general operating grants, and enthusiastic engagement on our Board committees to promote our visibility and fundraising efforts. SunTrust's strong commitment to "lighting the way to Financial Well Being" by promoting economic mobility in our community is perfectly aligned with CCRI's mission and work – advancing access to affordable quality child care for two-generation impact – so that parents are earning and children are learning – every day. SunTrust's commitment to affordable housing is yet another area of alignment, promoting family stability which is also key and critical to economic opportunity and a vibrant community for everyone.

We very much appreciate the partnership SunTrust and SunTrust Foundation have created with CCRI and look forward to our continued partnership for what we hope will be many years to come! We could not do what we do for the community without the extraordinary support of SunTrust and SunTrust Foundation. Thank you!

Sincerely,

Janet Singerman
