To Whom It May Concern:

SunTrust has been a valued community partner to Chattanooga Girls Leadership Academy (CGLA) since first launching a comprehensive College and Financial Planning Program along with the Community Foundation of Greater Chattanooga. Funding allowed CGLA to secure a full-time College Coach, who is working with high school students and their families to support college access needs, providing financial literacy, hosting college planning workshops, and offering workshop mentoring toward individual student goals.

In 2019 we plan to integrate more comprehensive financial literacy and educational activities for all 350 CGLA students and their families through funding from SunTrust and Community Foundation of Greater Chattanooga.

We are deeply grateful and value the community partnership we have with SunTrust and recognize the impact SunTrust has made in the lives of our students and our community.

Sincerely,

Elaine Swafford, Ed. D.  
Chief Executive Officer  
CGLA
