Mr. James P. Sheesley  
Assistant Executive Secretary  
Attention: Comments—RIN 3064-AF93  
Federal Deposit Insurance Corporation  
550 17th Street NW

Dear Mr. Sheesley:

I strongly support the proposed FDIC rule and its community bank exemption. There is no way community banks should be on the hook for the irresponsible actions of the larger, riskier institutions. Maybe, if they have to be responsible for their actions, they will learn to act responsibly in the first place.

Sincerely
