In Re: Access Bank (Proposed)
Omaha, Douglas County, Nebraska
Application for Federal Deposit Insurance
(Deposit Insurance Fund)

STATEMENT

Pursuant to the provisions of Section 5 of the Federal Deposit Insurance Act (12 U.S.C. §1815), an application for Federal deposit insurance has been filed for Access Bank (the Bank), a proposed new State Non-member bank, to be located at 210 North 78th Street, Omaha, Douglas County, Nebraska.

The Bank will be wholly owned by 3MV Bancorp, Inc. (3MV), Omaha, Nebraska a one bank holding company in formation. 3MV's ownership will be widely held with W-2 Freedom, LLC, a private equity firm managing the Community Bank Strategic Equity Fund, LLC, owning the largest percentage of holding company stock at 24.9 percent.

The Bank will offer traditional banking products. While the Bank intends to serve all types of customers within the primary market area consisting of the Omaha metropolitan area, it plans to primarily focus its attention to closely held small to medium sized business owners within a three to five mile radius of the banking facility.

For the purposes of this proposal, capital is adequate, projections for future earnings prospects are favorable, management is considered satisfactory, and the investment in fixed assets is reasonable. Corporate powers to be exercised are consistent with the purpose of the Federal Deposit Insurance Act. No formal objections to the proposal have been filed and no undue risk to the insurance fund is apparent.

Accordingly, based upon careful evaluation of all available facts and information, the Regional Director, acting under delegated authority, has concluded that approval of the application is warranted, subject to certain prudential conditions.
