Application for Federal Deposit Insurance

STATEMENT

Pursuant to the provisions of Section 5 of the Federal Deposit Insurance Act (12 U.S.C. §1815), an application for Federal deposit insurance has been filed for Bank of Las Colinas (the Bank), a proposed new federal savings bank, to be located at 300 East John Carpenter Freeway, Irving, Dallas County, Texas.

The Bank will be a majority-owned subsidiary of Capitol Bancorp Limited, Lansing, Michigan, a publicly traded company. Capitol Bancorp is a multi-bank holding company and operates 57 banks in 15 states. Capitol Bancorp had 2006 revenues of over \$280 million.

The Bank will provide conventional banking services to Dallas County with an emphasis on commercial, residential, and commercial real estate lending. Loan products will be tailored to the needs of small- to medium-sized businesses. Deposit products will consist of a traditional mix of savings, checking, money market, certificates of deposit and retirement accounts.

For the purposes of this proposal, capital is adequate, projections for future earnings prospects are favorable, management is considered satisfactory, and the investment in fixed assets is reasonable. Corporate powers to be exercised are consistent with the purpose of the Federal Deposit Insurance Act. No formal objections to this proposal have been filed and no undue risk to the insurance fund is apparent.

Accordingly, based upon careful evaluation of all available facts and information, the Regional Director, acting under delegated authority, has concluded that approval of the application is warranted, subject to the conditions enumerated in the Order.
