## STATEMENT

Pursuant to the provisions of Section 5 of the Federal Deposit Insurance Act (12 U.S.C. §1815), an application for Federal deposit insurance has been filed for The Bank of Princeton (the Bank), a proposed new New Jersey-chartered commercial bank, to be located at 21 Chambers Street, Princeton Borough, Mercer County, New Jersey.

The Bank plans to offer a traditional range of financial products and services to meet the depository and credit needs of individual consumers, small businesses, and professionals in Princeton Township and Princeton Borough, New Jersey.

For the purposes of this proposal, capital is adequate, projections for future earnings prospects are favorable, management is considered satisfactory, and the investment in fixed assets is reasonable. Corporate powers to be exercised are consistent with the purpose of the Federal Deposit Insurance Act. No formal objections to this proposal have been filed and no undue risk to the insurance fund is apparent.

Accordingly, based upon careful evaluation of all available facts and information, the Area Director, acting under delegated authority, has concluded that approval of the application is warranted, subject to certain prudential conditions.
