Application for Federal Deposit Insurance
(Deposit Insurance Fund)

STATEMENT

Pursuant to the provisions of Section 5 of the Federal Deposit Insurance Act (12 U.S.C. §1815), an application for Federal deposit insurance has been filed for Bankers Trust Company, National Association (the Bank), a proposed new National bank, to be located at 4742 North 24th Street, Suite 165, Phoenix, Maricopa County, Arizona.

Except for directors' qualifying shares, the bank's stock will be owned by MidAmerica Financial Corporation, Des Moines, Iowa, a wholly owned subsidiary of BTC Financial Corporation, Des Moines, Iowa, which is owned by family trusts of John Ruan.

The bank's intended market will encompass a 150 mile area. The bank intends to serve all types of customers within its primary market area, although its business plan is to focus on middle market commercial and commercial real estate customers, treasury management, and trust and wealth management.

For the purposes of this proposal, capital is adequate, projections for future earnings prospects are favorable, management is considered satisfactory, and the investment in fixed assets is reasonable. Corporate powers to be exercised are consistent with the purpose of the Federal Deposit Insurance Act. No formal objections to the proposal have been filed and no undue risk to the insurance fund is apparent.

Accordingly, based upon careful evaluation of all available facts and information, the Regional Director, acting under delegated authority, has concluded that approval of the application is warranted, subject to certain prudential conditions.
