In Re: Cardinal Creek Savings Bank (Proposed)
Mokena, Will County, Illinois
Application for Federal Deposit Insurance

STATEMENT

Pursuant to the provisions of Section 5 of the Federal Deposit Insurance Act (12 U.S.C. §1815), an application for federal deposit insurance has been filed for Cardinal Creek Savings Bank (the Bank), a proposed new state savings bank, to be located at 8303 West 191st Street, Mokena, Will County, Illinois.

The Bank will provide conventional banking services to Will County with an emphasis on commercial real estate and residential real estate lending. Loan products will be tailored to the needs of small- to medium-sized businesses and consumers. Deposit products will consist of a traditional mix of savings, checking, money market, certificates of deposit and retirement accounts.

For the purposes of this proposal, capital is adequate, projections for future earnings prospects are favorable, management is considered satisfactory, and the investment in fixed assets is reasonable. Corporate powers to be exercised are consistent with the purpose of the Federal Deposit Insurance Act. No formal objections to this proposal have been filed and no undue risk to the insurance fund is apparent.

Accordingly, based upon careful evaluation of all available facts and information, the Regional Director, acting under delegated authority, has concluded that approval of the application is warranted, subject to the conditions enumerated in the Order.
