Orange Avenue, Sarasota, Florida 34236, and has concluded that the application should be approved.

Accordingly, it is hereby ORDERED, for the reasons set forth in the attached Statement, that the application submitted by the Bank for Federal deposit insurance be, and the same hereby is, approved, subject to the following conditions:

1. Initial paid-in capital funds of not less than $20,000,000 will be provided.

2. The Bank’s Tier 1 capital to assets leverage ratio (as defined in the capital regulations of the FDIC) will be maintained at not less than eight percent (8.00%) throughout the first three years of operation and an adequate allowance for loan and lease losses will be provided from the date insurance is effective.

3. Any changes in the Bank’s proposed management or proposed ownership of ten percent (10.00%) or more of the Bank’s stock, including new acquisitions of or subscriptions to ten percent (10.00%) or more of stock, must be approved by the FDIC prior to the Bank’s opening.

4. During the first three years of operation, the Bank shall notify the FDIC Atlanta Regional Director of any plans to establish a loan production office at least 60 days prior to opening the facility.

5. The Bank shall operate within the parameters of the business plan submitted to the FDIC. During the first three years of operation, the Bank must obtain prior written nonobjection from the FDIC Atlanta Regional Director of any proposed major deviation or material change from the submitted business plan. The notice of any proposed change must be submitted at least 60 days before the intended consummation of the change.

6. With respect to any proposed director or senior executive officer of the Bank, the Bank shall take such action(s) as the FDIC Atlanta Regional Director may require if the FDIC objects to any such person based on information obtained during a background check. The term “senior executive officer” shall have the meaning set forth in 12 C.F.R. 303.101.
7. The Bank will adopt an accrual accounting system for maintaining the financial records of the Bank in accordance with U.S. Generally Accepted Accounting Principles.

8. The Bank must obtain adequate fidelity coverage prior to the Bank’s opening.

9. Deposit insurance will not become effective until the Bank has been granted a charter as a depository institution, has authority to conduct a banking business, and its establishment and operation as a depository institution has been fully approved by the federal and state supervisory authorities.

10. The Bank shall obtain an audit of its financial statements by an independent public accountant annually for at least the first three years after deposit insurance is effective. The Bank shall submit to the FDIC Atlanta Regional Office (i) a copy of the audited annual financial statements and the independent public auditor’s report thereon within 90 days after the end of the Bank’s fiscal year, (ii) a copy of any other reports by the independent auditor (including any management letters) within 15 days after their receipt by the Bank, and (iii) written notification within 15 days when a change in the Bank’s independent auditor occurs.

11. Until the FDIC’s conditional commitment becomes effective, the FDIC retains the right to alter, suspend, or withdraw its commitment should any interim development be deemed by the FDIC to warrant such action.

12. If deposit insurance has not become effective within one year from the date of this ORDER, or unless, in the meantime, a written request for an extension of time by the Bank has been approved by the FDIC, the consent granted shall expire at the end of this time period on said date.

By Order of the Regional Director of the Atlanta Regional Office, acting pursuant to delegated authority for the Board of Directors of the FDIC.

Dated at Atlanta, Georgia this 14th day of September, 2018.

Application for Federal Deposit Insurance

STATEMENT

Pursuant to the provisions of Section 5 of the Federal Deposit Insurance Act ("FDI Act") (12 U.S.C. § 1815), the Federal Deposit Insurance Corporation ("FDIC") received an Interagency Charter and Federal Deposit Insurance Application on behalf of Gulfside Bank, a proposed new state nonmember bank that will be located in Sarasota, Florida ("Bank"). The organizers concurrently applied to the Florida Office of Financial Regulation ("State") for a state bank charter and received the State’s conditional approval on August 13, 2018.

Notice of the Federal deposit insurance application, in a form approved by the FDIC, was published pursuant to the FDI Act on March 21, 2018.

The organizers have not established a bank holding company. The opening capital of the Bank will be obtained from a private offering of 2,000,000 shares of common stock at a price of $10.00 per share. The Bank’s business plan is to operate a state nonmember bank that serves individuals and small- and medium-sized businesses located in Sarasota and Manatee Counties in Florida. The Bank will offer traditional products and services and will be overseen by an experienced management team, including a diversified and knowledgeable Board of Directors who is committed to serving the Bank’s local community.

The Bank will operate with sufficient capital and managerial resources to accomplish the strategies and goals in the business plan. The Bank will be capitalized with an amount sufficient to achieve and maintain a Tier 1 capital to assets leverage ratio, as defined in the capital regulations of the FDIC, of not less than eight percent (8.00%) throughout the Bank’s first three years of operation. Projected growth and earnings appear attainable. The Bank’s plans appear to satisfy the convenience and needs of the community. Corporate powers to be exercised are consistent with the purposes of the FDI Act, and no undue risk to the Deposit Insurance Fund is evident.

Accordingly, based upon a careful evaluation of all available facts and information, and in consideration of the factors of Section 6 of the FDI Act, the Atlanta Regional Director, pursuant to delegated authority, has concluded that approval of the application is warranted, subject to certain prudential conditions.
