Re: Kirkwood Bank of Nevada (Proposed)
Las Vegas, Clark County, Nevada

Application for Federal Deposit Insurance
( Deposit Insurance Fund)

STATEMENT

Pursuant to the provisions of Section 5 of the Federal Deposit Insurance Act (12 U.S.C. §1815), an application for Federal deposit insurance has been filed for Kirkwood Bank of Nevada, a proposed state nonmember bank, to be located at 9436 West Lake Mead Boulevard, Suite 3, Las Vegas, Nevada 89134.

The bank will be wholly-owned subsidiary of Kirkwood Bancorporation of Nevada, Inc., a one-bank holding company. Initial capitalization of the bank will be at least $10 million, and total assets are projected to increase to $60 million by the end of the third year of operation. The bank will engage in traditional banking activities in a competitive market that includes the Las Vegas-Paradise metropolitan area.

For the purposes of this proposal, capital is adequate, projections for future earnings prospects are favorable, management is considered satisfactory, and the investment in fixed assets is reasonable. Corporate powers to be exercised are consistent with the purpose of the Federal Deposit Insurance Act. No formal objections to the proposal have been filed and no undue risk to the insurance fund is apparent.

Accordingly, based upon careful evaluation of all available facts and information, the Regional Director, acting under delegated authority, has concluded that approval of the application is warranted, subject to certain prudential conditions.

Dated at Kansas City, Missouri, this 71st day of March, 2008.
