Application for Federal Deposit Insurance

STATEMENT

Pursuant to the provisions of Section 5 of the Federal Deposit Insurance Act (12 U.S.C. § 1815), an application for Federal deposit insurance has been filed for Lakeside Bank, a proposed new state nonmember bank to be located at 4537 Nelson Road, Lake Charles, Calcasieu Parish, Louisiana.

The Bank intends to provide a full line of traditional banking services to consumers and small- to medium-sized businesses located in and around Lake Charles, Louisiana. The applicants are cognizant of and intend to fully comply with the Community Reinvestment Act.

For the purposes of this proposal, capital is adequate, projections for future earnings prospects are favorable, management is considered satisfactory, and the investment in fixed assets is reasonable. Corporate powers to be exercised are consistent with the purpose of the Federal Deposit Insurance Act. No formal objections to this proposal have been filed, and no undue risk to the insurance fund is apparent.

Accordingly, based upon careful evaluation of all available facts and information, the Regional Director, acting under delegated authority, has concluded that approval of the application is warranted, subject to certain prudential conditions.
