7. The persons(s) selected to serve as the principal operating officers(s) shall be acceptable to the appropriate FDIC Regional Director (DSC).

Furthermore, during the first three years of operations, the bank shall notify the Regional Director of any proposed stock benefit plan, or any material deviation or change from any previously submitted stock benefit plan, 60 days before implementation of the plan or consummation of the change.
12. Any change in officers or directors, including any change in the duties or responsibilities of officers or directors, shall receive the prior approval of the FDIC during the first three years of operation.
13. If deposit insurance has not become effective within twelve months from the date of this ORDER, the consent granted herein shall expire, unless the Corporation approves a request for an extension of the deadline prior to the expiration; and,
14. Until the bank is established, the Corporation shall have the right to alter, suspend, or withdraw the said commitment should any interim development warrant such action.
