Re: MRV Banks (Proposed)  
Ste. Genevieve, Ste. Genevieve County, Missouri

Application for Federal Deposit Insurance

**STATEMENT**

Pursuant to the provisions of Section 5 of the Federal Deposit Insurance Act (12 U.S.C. § 1815), an application for Federal deposit insurance has been filed for MRV Banks, a proposed state chartered, nonmember bank to be located at 871 Ste. Genevieve Drive, Ste. Genevieve, Missouri.

The bank will be a wholly-owned subsidiary of MRV Financial Corporation (MRV Financial), Ste. Genevieve, Missouri, a proposed one-bank holding company being formed to hold bank stock. MRV Financial will initially capitalize the bank with \$8.25 million, and total assets are projected to increase to \$81 million by the end of the third year of operation. The bank will offer traditional banking products and services to consumers and businesses located primarily in the Ste. Genevieve County market. The secondary market consists of the surrounding counties of Jefferson, Perry, and St. Francois, Missouri.

For purposes of this proposal, capital is adequate, earnings prospects are sufficient to provide a profitable operation within a reasonable period of time, management is capable, and the investment in fixed assets is reasonable. Corporate powers to be exercised are consistent with the purpose of the Federal Deposit Insurance Act. No formal objections to this proposal have been filed, and no undue risk to the Deposit Insurance Fund is apparent.

Accordingly, based upon careful evaluation of all available facts and information, the undersigned, acting on authority delegated by the Board of Directors of the FDIC, has approved the application, subject to certain prudential conditions.

Dated at Kansas City, Missouri, this 30<sup>th</sup> day of May, 2007.
