FEDERAL DEPOSIT INSURANCE CORPORATION
In Re: OneWest Bank FSB (proposed)
Pasadena, California
Application for Federal Deposit Insurance

STATEMENT

Pursuant to the provisions of Section 5 of the Federal Deposit Insurance Act (FDI Act)(12 U.S.C. §1815), the Federal Deposit Insurance Corporation (FDIC) received a Federal deposit insurance application on behalf of OneWest Bank, FSB, a proposed new institution that will be located at 888 East Walnut Street, Pasadena, California (OneWest or Thrift). The application is intended to establish a newly chartered Federal savings association for the purpose of acquiring certain assets and liabilities of IndyMac Federal, F.S.B., Pasadena, California (IndyMac), an insured mutual thrift which the FDIC is operating in conservatorship. The organizers have concurrently applied for a thrift charter and filed a Bank Merger Act application with the Office of Thrift Supervision (OTS) to facilitate the proposed acquisition.

In accordance with FDIC regulations, the deposit insurance application will not be subject to public notice, as the application is in furtherance of the resolution of the failed predecessor institution, IndyMac Bank, F.S.B. (12 C.F.R. section 303.23 (b)) We are advised that the OTS intends to waive its public notice requirements pursuant to its regulations, which permit a waiver in supervisory cases. (12 C.F.R. section 574.6(g))

IMB HoldCo LLC (IMB HoldCo), a Delaware corporation organized to become a regulated savings and loan holding company, will serve as a holding company for the Thrift. OneWest Bank Group LLC, a Delaware corporation organized to become a regulated savings and loan holding company, will serve as the direct holding company and own all of the stock of the Thrift. Capital will be provided by IMB HoldCo through investments made by Paulson & Co., Inc. (Paulson & Co.), J.C. Flowers III L.P. (J.C. Flowers III), MSD Financial Investments, LLC, Trident IV, L.P., SSP Offshore LLC, American Capital Partners, LLC, Silar MCF-I LLC, Trident IV Professional Fund, L.P., and IMB Management Holdings L.P.(collectively, the Investors). The Investors will provide initial capitalization of \$1,550,000,000. IMB Management Holdings L.P., an entity controlled by Steven Mnuchin, will serve as the managing member of IMB HoldCo. As a result of its control of IMB HoldCo, IMB Management Holdings L.P. will become a savings and loan holding company.

Paulson & Co. will acquire a 24.974 percent interest in IMB HoldCo. In addition, J.C. Flowers III, independent of Paulson & Co., will acquire a 24.974 percent interest in IMB HoldCo. No member of IMB HoldCo will own or control more than 24.99 percent of the interests in IMB HoldCo.

Paulson & Co. and J.C. Flowers III would be deemed in control, subject to rebuttal, of IMB HoldCo upon acquisition of their respective interests under the control provisions of

the OTS regulations. (12 C.F.R. part 574.4) In each case, their ownership of IMB HoldCo will exceed 10 percent but not exceed 25 percent, and they will be one of the two largest shareholders of HoldCo, which would constitute a control factor under the OTS regulations. The OTS will require that Paulson & Co. and J.C. Flowers III each execute a Rebuttal of Control Agreement. Approval of the Federal deposit insurance application is conditioned upon Paulson & Co. and J.C. Flowers III executing and the OTS accepting these agreements.

FDIC Staff has analyzed the deposit insurance application based upon IMB Management Holdings L.P., IMB HoldCo, and the proposed OneWest as the successful bidder and capital of \$1,550,000,000 being required. IMB HoldCo intends to provide OneWest with sufficient capital, funding, and managerial resources to accomplish several strategic priorities. These priorities are to stabilize OneWest's financial and operating performance, manage the acquired mortgage assets, build upon current servicing and loan modification capabilities, create a targeted jumbo mortgage lending program, and acquire additional bank franchises as opportunities arise. OneWest plans to continue the loan modification programs piloted by IndyMac and to further develop solutions intended to enable borrowers to keep their homes while maintaining the value of the underlying loans.

The financial projections indicate that the Thrift will remain "well capitalized" and will be funded through a combination of its initial capitalization, retail deposits, and various external funding sources. Future earnings prospects appear attainable and based on reasonable projections, and management is considered satisfactory. Corporate powers to be exercised are consistent with the purpose of the FDI Act, and no undue risk to the Deposit Insurance Fund is apparent.

Accordingly, based upon a careful evaluation of all available facts and information and in consideration of the factors of Section 6 of the FDI Act, the Associate Director, pursuant to delegated authority, has concluded that approval of the application is warranted, subject to certain prudential conditions.
