In Re: Paramount Bank Nevada (Proposed)
Las Vegas, Clark County, Nevada
Application for Federal Deposit Insurance

STATEMENT

Pursuant to the provisions of Section 5 of the Federal Deposit Insurance Act (12 U.S.C. §1815), an application for Federal Deposit Insurance has been filed for Paramount Bank Nevada (the Bank), a proposed new State-chartered member bank, to eventually be located at 7795 West Sahara Avenue, Las Vegas, Clark County, Nevada, 89117.

The Bank will be a wholly-owned subsidiary of Paramount Bancorp, Inc., Farmington Hills, Michigan. Paramount Bancorp is a bank holding company and operates one other state-chartered, satisfactorily-rated member bank, Paramount Bank, Farmington Hills, Michigan. Paramount Bancorp had 2006 net income of \$1.772 million. Three of the proposed Bank's directors are also directors or officers of either Paramount Bancorp, Inc. or Paramount Bank.

The Bank will provide conventional banking services to the greater Las Vegas metropolitan area. Deposit products will consist of a mix of savings, checking, money market, certificates of deposit and retirement accounts, with an emphasis on large time deposits.

For the purposes of this proposal, capital is adequate, projections for future earnings prospects are favorable, management is considered satisfactory, and the investment in fixed assets is reasonable. Corporate powers to be exercised are consistent with the purpose of the Federal Deposit Insurance Act. No formal objections to this proposal have been filed and no undue risk to the insurance fund is apparent.

Accordingly, based upon careful evaluation of all available facts and information, the Regional Director, acting under delegated authority, has concluded that approval of the application is warranted, subject to the conditions enumerated in the Order.
