**STATEMENT**

Pursuant to the provisions of Section 5 of the Federal Deposit Insurance Act (12 U.S.C. §1815), an application for Federal deposit insurance has been filed for Texas Trinity Bank (Bank), a proposed new bank to be located at 1212 Turtle Creek Blvd., Dallas, Dallas County, Texas.

The Bank will not be affiliated with any bank holding company or with another financial institution.

The Bank intends to become a full-service community bank providing traditional services to its target market, which consists of local individuals and small to medium sized business activities. The applicants are cognizant of and intend to fully comply with the Community Reinvestment Act.

For the purposes of this proposal, capital is adequate, projections for future earnings prospects are favorable, management is considered satisfactory, and the investment in fixed assets is reasonable. Corporate powers to be exercised are consistent with the purpose of the Federal Deposit Insurance Act. No formal objections to this proposal have been filed and no undue risk to the insurance fund is apparent.

Accordingly, based upon careful evaluation of all available facts and information, the Acting Regional Director, acting under delegated authority, has concluded that approval of the application is warranted, subject to certain prudential conditions.
