Application for Federal Deposit Insurance

### **STATEMENT**

Pursuant to the provisions of Section 5 of the Federal Deposit Insurance Act (“FDI Act”) (12 U.S.C. § 1815), the Federal Deposit Insurance Corporation (“FDIC”) received an Interagency Charter and Federal Deposit Insurance Application on behalf of Trustar Bank, a proposed new state nonmember bank that will be located in Great Falls, Fairfax County, Virginia (“Bank”). The organizers concurrently applied for a state bank charter to the Virginia Commissioner of Financial Institutions (“State”) who approved the charter on May 30, 2019.

Notice of the Federal deposit insurance application, in a form approved by the FDIC, was published pursuant to the FDI Act on March 14, 2019.

The organizers have not established a bank holding company. The opening capital of the Bank has been obtained from a private offering of 5,500,000 shares of common stock at a price of \$10.00 per share. The Bank’s business plan is to operate a state nonmember bank that services individuals and small- and medium-sized businesses located in Fairfax County, Virginia; Arlington County, Virginia; and an eastern portion of Loudoun County, Virginia; the independent Virginia cities of Alexandria, Fairfax, and Falls Church; a western portion of Montgomery County, Maryland, including Chevy Chase, Bethesda, Potomac, Rockville, and Silver Spring, Maryland; and Washington, D.C. The Bank will offer traditional products and services and will be overseen by an experienced management team, including a diversified and knowledgeable Board of Directors who is committed to serving the Bank’s local community.

The Bank will operate with sufficient capital and managerial resources to accomplish the strategies and goals in the business plan. The Bank will be capitalized with an amount sufficient to achieve and maintain a Tier 1 capital to assets leverage ratio, as defined in the capital regulations of the FDIC, of not less than eight percent (8.00%) throughout the Bank’s first three years of operation. Projected growth and earnings appear attainable. The Bank’s plans appear to satisfy the convenience and needs of the community. Corporate powers to be exercised are consistent with the purposes of the FDI Act, and no undue risk to the Deposit Insurance Fund is evident.

Accordingly, based upon a careful evaluation of all available facts and information, and in consideration of the factors of Section 6 of the FDI Act, the Atlanta Regional Director, pursuant to delegated authority, has concluded that approval of the application is warranted, subject to certain prudential conditions.
