5. Federal deposit insurance shall not become effective until the applicant is authorized to operate as a State bank by the appropriate State of Idaho authority.
6. Where deposit insurance is granted to an interim institution formed or organized solely to facilitate a related transaction, deposit insurance will only become effective in conjunction with consummation of the related transaction.
7. Where applicable, a registered or proposed bank holding company, or a registered or proposed thrift holding company, has obtained approval of the Board of Directors of the Federal Reserve System or the Office of Thrift Supervision to acquire voting stock control of the proposed depository institution prior to its opening for business.
