Please extend the protections of TLGP to the Interest On Lawyers Trust Accounts (IOLTA) in effect through out the United States.

As a member of the Massachusetts IOLTA Committee, Former Chair of the Massachusetts Legal Needs Study, and Former President of the Massachusetts Bar Foundation, I am intimately aware of the power of the IOLTA Program to provide funding for legal services to those most in need in Massachusetts and through out the country. The IOLTA program provides funding for legal services which would other wise not be provided or would require further government funding.

IOLTA accounts must be covered by TLGP to preserve the viability of the most important program.

Thank you for your anticipated support of IOLTA.
