Subject: FDIC Special Assessment

As a representative of a community bank who did not engage in the Wall Street practices, and did not make the types of loans that added to the economic downfall, I would like to express my objections to the FDIC's Special Assessment. Lets focus on the companies who make bad decisions and pass the cost on to them.

Sincerely,

Milissa J. Lenahan, Vice President
Operations and Security Director
First National Bank & Trust Company of Newtown
215-860-9100 x3041
