Subject: assessments RIN 3064-AD35

March 6, 2009

FDIC:

There has to be another way to raise money for the FDIC funds instead of the special 10 cent assessment, for this could jeopardize some healthy community banks that have not had anything to do with this crisis. You could consider borrowing the money from the industry itself or you could push Congress to impose a special risk premium on those banks deemed "systemically important" by the Federal Reserve.

Sincerely,

Donna McCoy
