Subject: Assessments, RIN 3064-AD35

Gentlemen,

This assessment is unfair to community banks such as Bryn Mawr Trust Co. This problem was caused by Wall Street and the 25 largest banks in the country. Why are you punishing the innocent along with the guilty. I urge you to reconsider your approach to this Assessment.

Thomas F. Drennan, CIC
President, Insurance Counsellors of Bryn Mawr
P)610-581-4936
F)610-526-6616
