Robert E. Feldman
Federal Deposit Insurance Corporation
550 17th Street, NW
Washington, DC 20429

Dear Robert Feldman:

While I agree that the industry must maintain a financially secure fund to ensure consumer confidence in our system I'd like to propose that Washington works to design a plan that assess and avoids the negative impact its actions have on the responsibly managed and currently healthy institutions in our industry, like Salem Five.

Thank you for your considerate representation and hard work.

Best Regards,

Jim Nelson
