Subject: FW: 20-cent Special Assessment

To whom it may concern,

I do hope Congress will pass the legislation expanding the FDIC's line of credit. Your intention is much appreciated.

Subject: 20-cent Special Assessment

To whom it may concern,

As a small community banker, the 20-cent special assessment approved last week is a big burden for a small bank, not to mention it is very unfair. Please see if you can remedy it in any way. Thanks in advance.
