Subject: Opposition to RIN 3064 AD35: Proposed FDIC Special Assessment
pursuant to 12 CFR Part 327

Executive Secretary Feldman:

I have a difficult problem regarding recognition of the problem itself. I'm convinced that community banks such as mine have had anything to do with this dilemma that our industry finds itself. Let's get to the root of the problem and assess those that should be assessed... not the community banks.

Sincerely,

Don Burnett
