

should be submitted in electronic format (which is preferred over hard copy) following the instructions for "Nominating Experts to Advisory Panels and Ad Hoc Committees Being Formed" <http://www.epa.gov/sab> provided on the SAB Web site. The instructions can be accessed through the "Nomination of Experts" link on the blue navigational bar on the SAB Web site at <http://www.epa.gov/sab>. To receive full consideration, nominations should include all of the information requested.

EPA's SAB Staff Office Requests: contact information about the person making the nomination; contact information about the nominee; the disciplinary and specific areas of expertise of the nominee; the nominee's curriculum vita; sources of recent grant and/or contract support; and a biographical sketch of the nominee indicating current position, educational background, research activities, and recent service on other national advisory committees or national professional organizations.

Persons having questions about the nomination procedures, or who are unable to submit nominations through the SAB Web site, should contact Dr. Suhair Shallal, DFO, as indicated above in this notice. Nominations should be submitted in time to arrive no later than June 24, 2011. EPA values and welcomes diversity. In an effort to obtain nominations of diverse candidates, EPA encourages nominations of women and men of all racial and ethnic groups.

The EPA SAB Staff Office will acknowledge receipt of nominations. The names and biosketches of qualified nominees identified by respondents to this **Federal Register** notice, and additional experts identified by the SAB Staff, will be posted in a List of Candidates on the SAB Web site at <http://www.epa.gov/sab>. Public comments on this List of Candidates will be accepted for 21 calendar days. The public will be requested to provide relevant information or other documentation on nominees that the SAB Staff Office should consider in evaluating candidates.

For the EPA SAB Staff Office, a balanced subcommittee or review panel includes candidates who possess the necessary domains of knowledge, the relevant scientific perspectives (which, among other factors, can be influenced by work history and affiliation), and the collective breadth of experience to adequately address the charge. In the SAB EJT Panel, the SAB Staff Office will consider public comments on the List of candidates, information provided by the candidates themselves, and background

information independently gathered by the SAB Staff Office. Selection criteria to be used for Panel membership include: (a) Scientific and/or technical expertise, knowledge, and experience (primary factors); (b) availability and willingness to serve; (c) absence of financial conflicts of interest; (d) absence of an appearance of a lack of impartiality; and (e) skills working in committees, subcommittees and advisory panels; and, for the Panel as a whole, (f) diversity of expertise and viewpoints.

The SAB Staff Office's evaluation of an absence of financial conflicts of interest will include a review of the "Confidential Financial Disclosure Form for Special Government Employees Serving on Federal Advisory Committees at the U.S. Environmental Protection Agency" (EPA Form 3110-48). This confidential form allows Government officials to determine whether there is a statutory conflict between that person's public responsibilities (which includes membership on an EPA Federal advisory committee) and private interests and activities, or the appearance of a lack of impartiality, as defined by Federal regulation. The form may be viewed and downloaded from the following URL address at <http://www.epa.gov/sab/pdf/epaform3110-48.pdf>.

The approved policy under which the EPA SAB Office selects subcommittees and review panels is described in the following document: *Overview of the Panel Formation Process at the Environmental Protection Agency Science Advisory Board* (EPA-SAB-EC-02-010), which is posted on the SAB Web site at <http://www.epa.gov/sab/pdf/ec02010.pdf>.

DEPARTMENT OF HEALTH AND HUMAN SERVICES

Adjusted Federal Medical Assistance Percentage (FMAP) Rates for the Second and Third Quarters of Fiscal Year 2011 (FY11)

Implementation of Section 5001 of the American Recovery and Reinvestment Act of 2009 (Pub. L. 111-5) for adjustments to the second and third quarters of Fiscal Year 2011 Federal Medical Assistance Percentage Rates for Federal Matching Shares for Medicaid and Title IV-E Foster Care, Adoption Assistance and Guardianship Assistance programs.

AGENCY: Office of the Secretary, DHHS.

ACTION: Notice.

SUMMARY: This notice provides the adjusted Federal Medical Assistance Percentage (FMAP) rates for the second and third quarters of Fiscal Year 2011 (FY11) as required under Section 5001 of the American Recovery and Reinvestment Act of 2009 (ARRA). Section 5001 of the ARRA provides for temporary increases in the FMAP rates to provide fiscal relief to states and to protect and maintain state Medicaid and certain other assistance programs in a period of economic downturn. The increased FMAP rates apply during a recession adjustment period that was originally defined in ARRA as the period beginning October 1, 2008 and ending December 31, 2010. Public Law 111-226 amended ARRA to extend the recession adjustment period to June 30, 2011 and to extend the hold harmless provision that prevents a state's FMAP rate from decreasing due to a lower unemployment rate from the calendar quarter ending before July 1, 2010 to the calendar quarter ending before January 1, 2011. Public Law 111-226 also provided for a phase-down of the general FMAP increase in the last two quarters of the extended recession

adjustment period, and changed the look back period for calculating the unemployment adjustment for those quarters.

DATES: Effective Date: The percentages listed are for the second quarter of FY11 beginning January 1, 2011 through March 31, 2011 and the third quarter of FY11 beginning April 1, 2011 through June 30, 2011.

A. Background

The FMAP is used to determine the amount of federal matching for specified state expenditures for assistance payments under programs under the Social Security Act ("the Act"). Sections 1905(b) and 1101(a)(8)(B) of the Act require the Secretary of Health and Human Services to publish the FMAP rates each year. The Secretary calculates the percentages using formulas in sections 1905(b) and 1101(a)(8)(B), and statistics from the Department of Commerce of average income per person in each state and for the Nation as a whole. The percentages must be within the upper and lower limits given in section 1905(b) of the Act. The percentages to be applied to the District of Columbia, Puerto Rico, the Virgin Islands, Guam, American Samoa, and the Northern Mariana Islands are specified separately in the Act, and thus are not based on the statutory formula that determines the percentages for the 50 states.

Section 1905(b) of the Act specifies the formula for calculating the FMAP as follows:

The FMAP for any State shall be 100 per centum less the State percentage; and the State percentage shall be that percentage which bears the same ratio to 45 per centum as the square of the per capita income of such State bears to the square of the per capita income of the continental United States (including Alaska) and Hawaii; except that (1) the FMAP shall in no case be less than 50 per centum or more than 83 per centum, and (2) the FMAP for Puerto Rico, the Virgin Islands, Guam, the Northern Mariana Islands, and American Samoa shall be 50 per centum.

Section 4725 of the Balanced Budget Act of 1997 amended section 1905(b) to provide that the FMAP for the District of Columbia for purposes of titles XIX (Medicaid) and XXI (CHIP) shall be 70 percent. The Medicare Improvements for Patients and Providers Act of 2008 (MIPPA) (Pub. L. 110-275) amended the FMAP applied to the District of Columbia for maintenance payments under title IV-E programs to make it consistent with the 70 percent Medicaid match rate.

Section 5001 of Division B of the ARRA provides for a temporary increase in FMAP rates for Medicaid and title
