RE: FDIC RIN 3064-AD95,FDIC RIN 3064-AD96  
and FDIC RIN 3064-ADF97

Dear Mr Feldman:

I have been an advisory director of Platte Valley Bank of Missouri for 20 years and am writing to let you know that I am against the proposed Basel III implementation.

I am owner of Major Lumber Co. in Smithville Mo. that has been in business since 1896. I can personally tell you how important the role of a community bank is in my home town.

The loss of our local banks would have a huge impact on my community, therefore, I ask that you reconsider the Basel III implementation.

Sincerely,

Ronald H.Major, President  
Major Lumber Co.
