A *PRIVACY WARNING NOTICE* appears on the monitor screen when records containing information on individuals are first displayed. Information resident on the SOC database servers is backed-up routinely onto magnetic media. Back-up tapes are stored on-site and at a secured, off-site location.

#### RETENTION AND DISPOSAL:

Records in the FCC Visitors Database are retained in accordance with General Records Schedule (GRS) 18, Item 17 approved by the National Archives and Records Administration (NARA). The records disposal is done in accordance with the Commission's disposal policies. Unless retained for specific, on-going security investigations, records of facility access are maintained for one year and then destroyed.

All other records relating to individuals are retained and disposed of in accordance with GRS 18, item 22a, approved by NARA. The records are disposed of in accordance with SOC disposal policies, as follows:

1. All returned day contractor cards will be reused on a daily basis.
2. Transaction data for all FCC Visitors Database cards will be stored using a secure medium and retained for one year in the SOC, which is locked and secured with an alarm system.

In accordance with Homeland Security Presidential Directive (HSPD-12), Personal Identity Verification (PIV) Cards are deactivated within eighteen (18) hours of notification of cardholder separation, loss of card, or expiration.
