

Public Comments on Credit Risk Retention

Title: Credit Risk Retention
FR Document Number: 2013-21677
RIN: 3064-AD74

Comment: The rule being proposed "CREDIT RISK RETENTION" is too restrictive and will negatively affect our economy and the ability to allow people to become home owners!

The rule being proposed "CREDIT RISK RETENTION" is too restrictive and will negatively affect our economy and the ability to allow people to become home owners!
