Subject: Conference call regarding *Proposed Resolution of Systemically Important Financial Institutions: The Single Point of Entry Strategy*, published in the Federal Register on December 18, 2013

On July 29, 2014 and August 7, 2014, staff of the Office of Complex Financial Institutions and other divisions of the FDIC spoke with staff of the New York State Department of Financial Services regarding certain aspects of the FDIC's proposed single point of entry resolution strategy. Specifically, the participants discussed issues related to the licensing of branches in connection with the use of a bridge financial company.

This memorandum memorializes those conference calls.
