SUBJECT: Meeting with Total Bank Solutions to Discuss the Notice of Proposed Rulemaking Regarding Small Bank Pricing System and Other Topics

On April 19, 2016, FDIC staff met with representatives of Total Bank Solutions to discuss, among other things, the FDIC's proposed rule to revise the method of calculating assessments for established small banks. In that meeting, representatives from Total Bank Solutions presented their views on the small bank pricing proposed rule, including how the proposed rule would impact small banks. Total Bank Solutions also discussed with FDIC staff a proposed rule on recordkeeping for timely deposit insurance determination.

Participants:

Total Bank Solutions

- Kevin Bannerton
- Mark Onufrak
- Dennis Santiago
- Mark Thompson

FDIC
