To Whom It May Concern:

I'm writing in support of the merger of SunTrust Bank and BB&T.

SunTrust has been a banking partner of Park Center for many years and has always been supportive of our mission to empower people who have mental illness and substance use disorders to live and work in their community. SunTrust has provided funding for our programs and our special events. They are a valuable member of the Nashville community, a position that should only be strengthened with the merger with BB&T.

If you need additional information about our partnership with SunTrust, please contact me at 615-242-3831 or Barbara.quinn@parkcenternashville.org.

Sincerely,

Barbara Quinn
