To Whom It May Concern;

We, at the United Way of the Ocoee Region, have been pleased to partner with both SunTrust and BB&T over many years working on the core issues challenging our community. Both organizations have effectively partnered and invested in financial stability programming, stable housing issues, and early childhood initiatives. Both organizations also have a rich history of volunteerism and leadership within our community based nonprofit. We believe this merger will lead to only more support and look forward to further partnership in the future.

Thank you!

Matt
