To Whom It May Concern

I am writing on behalf of the United Way of North Central Florida in regards to support of the SunTrust Merger. SunTrust has been an important part of our community as well as a supporter of United Way of North Central Florida. Over the last 7 years, they have invested over \$250,000 back into our community through their employee workplace campaign as well as their corporate gifts. They have also performed “days of service” with United Way over the years as well as having special events to support our local partner agencies. Brad White, who is now retired, previously served on our Board of Directors for many years.

We look forward to continuing our long relationship with Suntrust under their merger and new name.

Thank you,

Dana P. Clayton, *Vice President of Resource Development Partnerships*
