To Whom it May Concern:

I'm writing in support of the proposed merger of SunTrust Banks and BB&T. SunTrust Bank has been a longtime partner of the Volunteers in Medicine, Chattanooga Clinic. Our clinic serves the uninsured, low income adult population of Greater Chattanooga. With contributions from SunTrust, we have been able to provide more than \$1.1 million in free healthcare over just the past six years.

We are confident that with the merger of these two banking institutions, we will be able to continue providing care to the medically underserved in our community.

Robert E. Bowers, MD
Medical Director

Sincerely,

Ashley Wolfe Evans
