To whom it may concern,

I am writing you to convey that I fully support the merger of SunTrust with BB & T.

SunTrust has been assisting me and providing support to my company for the last 5 years. They have been an incredible partner to me and my company. Their guidance and support have allowed me to grow my company from \$10 million in revenues to over \$100 millions today. I employed over 300 employees today.

I have no doubt that the combined entity with BB & T will continue to support the community they serve and also companies like me in the future.

Regards,

Peter Politis
