To Whom It May Concern:

I have been working with Evan Wyant and Ryan Gaston at BB&T for the last two years. We are a national golf cart company that provides sales, service, and rentals of golf carts across the Eastern United States.

BB&T has been our primary bank providing us with a full scope of banking services from daily banking to merchant services to growing our business through mergers and acquisitions. We have had aggressive goals in mind and would not have been able to achieve them without BB&T. With the help of BB&T, we have been able to triple the size of our business in the last two years.

I support the merger and believe the combined entity will be good for the community and associates.

Sincerely,

Tom Cannon
CEO, National Carts
