Subject: [EXTERNAL MESSAGE] Comments to SunTrust and BB&T merger

To whom it may concern,

I would like to offer my strong support for the proposed merger of SunTrust Bank and BB&T. Our company has been a commercial real estate client of SunTrust for over ten (10) years. During that time, SunTrust has proven their deep commitment to providing lending and investment in community development. As an owner and developer of affordable housing communities financed through low income housing tax credits, we have seen first hand how SunTrust has made community investment a top priority and a deep commitment throughout their franchise. I firmly believe this commitment will grow following the merger given the additional resources the combined bank will have to offer in their communities.

Best regards,

Thurston Cooke
